

## 02. Absolute Value Frayer Model

Definition:

a number's distance  
from zero on a number line.

Notation/Symbol:

$|6|$

this symbol means  
"how far is 6  
from zero?"

Absolute  
Value

Examples:

$$|6| = 6$$

$$|-6| = 6$$

$$|3-5| = |-2| = 2$$

Non-examples:

$$|6| \neq -6$$

$$|-5| \neq 4$$
