

Identify the Starting Point for each.											
<p>1.</p>	<p>Starting Point = _____</p>										
<p>2.</p> <table border="1" style="margin-left: auto; margin-right: auto; border-collapse: collapse; text-align: center;"> <thead> <tr> <th style="padding: 5px;">Distance</th> <th style="padding: 5px;">Money</th> </tr> </thead> <tbody> <tr> <td style="padding: 5px;">0</td> <td style="padding: 5px;">0</td> </tr> <tr> <td style="padding: 5px;">1</td> <td style="padding: 5px;">7</td> </tr> <tr> <td style="padding: 5px;">2</td> <td style="padding: 5px;">14</td> </tr> <tr> <td style="padding: 5px;">3</td> <td style="padding: 5px;">21</td> </tr> </tbody> </table>	Distance	Money	0	0	1	7	2	14	3	21	<p>Starting Point = _____</p>
Distance	Money										
0	0										
1	7										
2	14										
3	21										
<p>3.</p> $M = 0.75 + 8d$	<p>Starting Point = _____</p>										

TURN this into google classroom when done.
